BAAS 408 Senior BAAS Portfolio
BAAS 408 is designed to guide students through the completion of their final milestone for the BAAS degree. Reflective and applied in nature, the experience provides students with space and support as they make meaning of the skills and abilities acquired throughout the program and inform career development. This is an 8-week non-credit course.
Taught by: Sowden, Kristin
Course offered summer, fall and spring terms
Activity: Online Course
0.0 Course Units

BAAS 416 Senior BAAS Portfolio
