

COMMUNITY ENGAGEMENT

The Barbara and Edward Netter Center for Community Partnerships (<https://www.nettercenter.upenn.edu>) is Penn's central administrative office for community partnership programs, including academically based community service, direct traditional service, and community development.

Penn's hub for civic engagement, Civic House (<http://www.admissions.upenn.edu/academics/civic-house>) supports student service and advocacy groups while providing resources, information, and meeting space for service-oriented efforts throughout campus and beyond.

The Robert A. Fox Leadership Program (<http://www.admissions.upenn.edu/academics/fox-leadership-program>) prepares students for present and future leadership through hands-on experience, service, course work, and mentorship from successful leaders.
