INFORMATION FOR ATHLETES

Penn Athletics (http://www.pennathletics.com) offers a number of programs to support student-athletes academically:

Student Athlete Development Center (http://www.pennathletics.com/page/student-athlete-development-center/)

Academic Resources (http://www.pennathletics.com/page/academic-resources/)

Student-Athlete Academic Achievement Program

The Student-Athlete Academic Achievement Program is designed to provide student-athletes with supplemental study and tutoring opportunities, as well as to foster academic interaction with fellow student-athletes. During the academic year, students have access to reserved rooms for scheduled study time, and individualized and group tutoring sessions. In addition, workshops are conducted to offer strategies for succeeding at Penn.
