

ADD/DROP PERIOD

Courses may be added only during the first two weeks of each semester; course may be dropped through the fifth week of the semester.

Students should consult with their advisors before dropping below a defined number of course units (generally 4), which may have adverse consequences.

Some courses may have different add/drop policies; students should consult with their school's advising office for further details.

Add/drop deadlines for each semester can be found in the Academic Calendar (<http://catalog.upenn.edu/undergraduate/academic-resources/calendar>).
