

ARCHITECTURE: DESIGN, BA

The Major in Architecture is for students who intend to pursue a career in architecture or a related design discipline (e.g., landscape architecture, urban design, product design, etc.). The Major is a studio-based liberal arts program offering two concentrations. The Design Concentration includes a six-semester sequence of design studios and courses in the history and theory of art, architecture, and landscape architecture.

The minimum total course units (<https://www.college.upenn.edu/credits-needed-major/>) for graduation in this major is 33. Double majors may entail more course units.
