

# GENDER, SEXUALITY, & WOMEN'S STUDIES, BA

The degree and major requirements displayed are intended as a guide for students entering in the Fall of 2018 and later. Students should consult with their academic program regarding final certifications and requirements for graduation.

The Gender, Sexuality, and Women's Studies Program (GSWS) is an interdisciplinary program that provides exciting intellectual opportunities to explore the role of gender in human affairs. The program offers over 50 courses each year, many cross-listed with other departments, as well as a major, a minor, and a graduate certificate.

The minimum total course units (<https://www.college.upenn.edu/credits-needed-major>) for graduation in this major is 33. Double majors may entail more course units.
