

# NUTRITION, MINOR

---

Jointly sponsored by the Schools of Nursing and Arts and Sciences, the Nutrition Minor presents a broad view of the field and illustrates the pervasiveness of nutrition-related issues in such diverse fields as anthropology, economics, folklore, history, physiology, psychology, health care, and public policy.

**For more information:** <http://www.nursing.upenn.edu/nutrition-minor/>

The Nutrition Minor requires a total of 6 course units.
